the Ohře Basin Human Activity

Karlovy Vary Spa

It is the largest and best known spa city in the Czech Republic. The city was founded in the 14th century by Charles IV. We can find a colonnade, where 2000 I of mineral water bubbles up there every minute. Glass products, typical Karlovarské biscuits and Becherovka ale also well known.

The castle Loket

The Castle was founded 13. century. It has an elbow shape and that is the reason of its name. This castle and the village around the castle were called "the key for the Czech kingdom". In the courtyard we can find the oldest meteorite in the world.

Klášterec nad Ohří

Nechranice Reservoir

Systic

Nechranice Reservoir
