

STŘEDNÍ PRŮMYSLOVÁ ŠKOLA STROJNÍ A ELEKTROTECHNICKÁ A VYŠŠÍ ODBORNÁ ŠKOLA, LIBEREC 1, Masarykova 3

Masarykova 3, 460 84 Liberec 1, tel. 485 100 113, fax 485 100 063, e-mail sekretariat@pslib.cz, <http://www.pslib.cz>

Témata pro zpracování školních zkušebních úloh

Předmět: anglický jazyk
Platnost: jaro 2013, podzim 2013
Třída: A4

1. Our school – history, specializations, facilities, my 4 years here
2. My specialization, special excursions and working experience during my studies
3. Czech system of education, comparison to the British + American systems
4. Learning foreign languages, English as a means of international communication
5. Liberec – the town where I live or study
6. Czech Republic – history, geography, people
7. UK – history, geography, people
8. USA – history, geography, people
9. Canada – history, geography, people
10. Australia + New Zealand – history, geography, people
11. Famous English writing authors, the book I have read
12. Science and technology in our lives, famous inventors and scientists
13. Impact of industry to the environment, sustainable sources of energy
14. Technical specifications, measurements, measuring devices
15. Safety at work, instructions
16. Cars – parts, engine, driving, traffic rules
17. Computers in everyday life, basic configuration
18. Electronic communication
19. Engineering materials, corrosion
20. Industrial production, CAD, CAM
21. Electrical circuit, effects of el. current
22. Basic electronics terms, semiconductors, diodes
23. Automation, robotics
24. Transmission of signals
25. Computers – input and output devices

Témata pro zpracování školních a zkušebních úloh byly projednány a schváleny předmětovou komisí dne 30. 10. 2012.

Témata pro zpracování školních zkušebních úloh

Předmět: anglický jazyk
Platnost: jaro 2013, podzim 2013
Třída: L4

1. Our school – history, specializations, facilities, my 4 years here
2. My specialization, special excursions and working experience during my studies
3. Czech system of education, comparison to the British + American systems
4. Learning foreign languages, English as a means of international communication
5. Liberec – the town where I live or study
6. The Czech Republic – history, geography, people
7. UK – history, geography, people
8. USA – history, geography, people
9. Canada – history, geography, people
10. Australia + New Zealand – history, geography, people
11. All the year round – festivals in The Czech Republic and English speaking countries
12. Famous English writing authors, the book I have read
13. Global issues (wars, economic crisis, poverty, famine, etc.)
14. Science and technology in our lives, famous inventors and scientists
15. Impact of industry to the environment, sustainable sources of energy
16. Technical specifications, measurements, measuring devices
17. Safety at work, instructions
18. Cars – parts, engine, driving, traffic rules
19. Computers in everyday life, basic configuration
20. Electronic communication
21. Engineering materials, corrosion
22. Industrial production, CAD, CAM
23. Electrical circuit, conductivity
24. Multimedia, film, radio
25. Computers – input and output devices

Témata pro zpracování školních a zkušebních úloh byly projednány a schváleny předmětovou komisí dne 30. 10. 2012.
